

The Attorney General of California has prepared the following title and summary of the chief purpose and points of the proposed measure:

REFERENDUM TO OVERTURN STATE FINANCIAL AID FOR UNDOCUMENTED

STUDENTS. If signed by the required number of registered voters and filed with the Secretary of State, this petition will place on the statewide ballot a challenge to a state law previously approved by the Legislature and Governor. The law must then be approved by a majority of voters at the next statewide election to go into effect. The law would allow students who are undocumented immigrants and attended a California high school for three or more years, and graduated, to receive state financial aid to attend California universities and community colleges.
